## **HABC Level 2 Award in Food Safety for Manufacturing (Refresher)**

**Qualification Details:** The HABC Level 2 Award in Food Safety for Manufacturing (Refresher) is a National Award written and accredited by HABC.

This qualification is outside of the QCF, however, it could be used as prior knowledge to enrol onto a QCF qualification in the future.

### **KEY FACTS:**

QAN	This is a non-accredited qualification
Guided learning hours (GLH)	3
Assessment Method	Multiple-choice examination

**Qualification Overview:** The Level 2 Award in Food Safety for Manufacturing (Refresher) is a qualification aimed at food handlers working in a manufacturing environment. The qualification is intended for learners already working in food manufacturing who would benefit from refresher training. This qualification reinforces the responsibilities of the food handler regarding food safety and will ensure their knowledge is up to date.

**Entry Guidance:** Learners must provide evidence of previously achieving a Level 2 Food Safety in Manufacturing qualification from an approved Awarding Organisation. This must be proven by the learner producing their certificate. It is advised that learners have a minimum of Level 1 in literacy or numeracy or equivalent.

This qualification is approved for delivery to those aged 16 and over.

### **Progression:**

- Level 3 Award in Supervising Food Safety for Manufacturing
- Level 3 food and drink qualifications
- Food Manufacturing competency based qualifications (NVQs/Apprenticeships)
