HABC Level 2 Award in Emergency First Aid at Work (QCF)

Qualification Details: The HABC Level 2 Award in Emergency First Aid at Work has been accredited by the regulators of England, Wales and Northern Ireland (Ofqual, Welsh Government and CCEA) and is part of the Qualifications and Credit Framework (QCF). It is supported by Skills for Health, the Sector Skills Council for health.

KEY FACTS:

QAN	500/7427/1
Learning Aim Reference	50074271
Guided learning hours (GLH)	10
Credit Value	1
Assessment Method	Oral examination & Practical Assessment

Qualification Overview: This qualification is aimed at learners already working or preparing to work in industry that is identified within the Company's risk assessment of First Aid as being lower risk.

Learners gaining this qualification will know that First Aid is the responsibility of everyone involved in the working environment. Its topics are regarded by the Health & Safety Executive as being important to maintaining good practice in the safe, prompt and effective treatment of injuries and ill health in the workplace.

Entry Guidance: There are no prerequisites for this qualification. It is advised that learners have a minimum of Level 1 in literacy or numeracy or equivalent. This qualification is approved for delivery to the age ranges Pre-16, 16-18 and 19+. Cohorts are to be no larger than 12 learners per Nominated Tutor.

Progression and further learning routes include:

- 3-day First Aid at Work qualification
- Level 2 Award in Cardiopulmonary Resuscitation and Automated External Defibrillation.
